

# Actions of the Heart

by Ben Huot

My 30 text books and picture books contain most of my work over the past 11 years. These include my reading of some 251 philosophical and religious thinking for several thousand years and the application of the main themes of some of the major Old Testament Prophets and major works of the New Testament.

The main point of this work is to get people to stop living their lives with their minds, but instead follow their hearts. I bring a radically different of viewpoints that heard of before. I people to follow but rather let sort of your heart.

I challenge their own direction. We need a much broader diversity of ideas in our culture to deal with the problems we are facing in America and throughout the rest of the world.

combination you have not am not asking what I have written, the words stir up some emotional response in
